

### 31 - 39 London Circuit Street City ACT

The Capitol Residence is located at 31 - 39 London Circuit in central Canberra, opposite the Reserve Bank of Australia, The Supreme and Magistrates Courts, the Melbourne Building's eateries, and within 500 metres to the Australian National University.

Incorporating a dramatic entry with concierge, a refined use of stone, bronze and concrete, The Capitol has been conceived in the image of a classic New York hotel, its lobby busy, its streetscape bustling, and its facades a myriad of dimmed lights.

With 200 residences, comprising a collection of 1, 2 and 3 bedrooms and penthouse apartments, The Capitol incorporates luxury amenity for residents including premium gymnasium and sauna.
