The plans should be used as a guide. They are believed to be accurate at the time of printing but we are not guaranteed to reflect the plans in the current of site or the building or construction. Buyers should read the terms in the contract and the plans contained therein and rely on professional advice to understand their rights and obligations. Changes to the development will be notified in accordance with the terms of the contract and requirements of the Civil Law (Property). Units: floor area calculations are taken from the exterior face of one wall, the thickness of party walls and the exterior face of common areas walls. Dimensions of buildings and floor coverings, and fittings are not shown to scale, not included in the site for the indicated price or at all unless expressly included. Some purchase options may not be shown. Graphics of lifting, power layout, substructure, service equipment, and shaft divisions that are indicative only. Location of power, television or internet connection and the like are indicative only. Facade elements may vary. Details for services may not be required. Columns, shaftheads and other structural elements may vary in dimension and location throughout the building when constructed.
